+ Effective July 1, 2009 usage charges for Dial Direct Service, Toll Free Service, Long Distance Voice VPN Service and Long Distance Calling Card Service will increase 60% above contracted rates for Customers who purchased service on a month-to-month basis or who elect to retain service beyond the expiration of their Customized Pricing Arrangement or Business Class Family of Services agreement plus ninety (90) days. This increase reflects a cumulative total inclusive of the 20% and 40% end of term increases that became effective April 1, 2008 and January 1, 2009, respectively. Customers may delay this usage increase by an additional ninety (90) days, for a total of one-hundred eighty (180) days, by signing a contract to migrate to a comparable long distance voice service provided by the Company or a Company affiliate or a letter of intent to migrate to an existing long distance voice contract with the Company or a Company affiliate. In order for the additional ninety (90) day delay to be applied to the Customer's billing account, the Company must receive the signed contract, or in the case of a Company affiliate a copy of the signed contract, or the letter of intent prior to the expiration of the original "plus ninety (90) days" window.

### **10.2 BellSouth® Business Class Family of Services**

#### **10.2.1 Description**

The BellSouth® Business Class Family of Services (BBCFS) is a suite of business communication services for Customers who agree to a "minimum monthly revenue commitment" (MMC) for services purchased from the Company and who agree to a "contract term" (Term) of one (1) to five (5) years. Customers may also select a month-to-month option with no MMC or Term obligations. Services available under the BellSouth® Business Class Family of Services include BellSouth® Dial Direct service and BellSouth® Toll-Free service, BellSouth® Long Distance Voice VPN service and BellSouth® Long Distance Calling Card service, BellSouth® Long Distance Private Line service, and BellSouth® Dedicated Access service. The BellSouth® Business Class Family of Services offers integrated pricing with cross discounting based on aggregate revenue of contributing services, billing, and reporting capabilities. Discounting is based on the contract term selected by the Customer and the Customer's target revenue commitment.

The term of a BellSouth® Business Class Family of Services agreement shall begin, and the applicable discounts or credits will accrue, from the first day of the next billing month if the agreement is accepted by both parties and returned to the Company at least twenty (20) days prior to the first day of the next billing month. Otherwise, the term will commence on the first day of the second billing month following the acceptance of the agreement by both parties. After the expiration of the initial term or any subsequent Renewal Terms, a Customer's BellSouth® Business Class Family of Services agreement shall continue on a monthly basis (each month a "Term Extension") subject to the same prices, terms and conditions as in the initial term for the particular services in the original BBCFS agreement, unless the Customer or the Company provides written notice of its intent not to renew such agreement at least thirty (30) days prior to the expiration of the initial term or subsequent Term Extensions.

\* This service has been grandfathered effective April 27, 2007. No new customers will be provisioned under this service after this date.
